

Dough Cutter/Scraper, Stainless Steel Blade, Flexible

146 mm, White

Item Number: 40575

Vikan's Dough Cutter/Scraper is a baker's best companion. It cuts and handles dough, removes sticky messes that would clog a brush, and deftly deals with burnt-on foods on tables and cutting boards. The flexible, 0.5 mm stainless-steel blade is excellent at cutting many types of dough, cooked pastries, and other soft foods. The blade is slightly rounded on the edges to avoid cutting users' hands. The polypropylene grip is durable and moulded securely around the blade. An ergonomic finger rest makes the Dough Cutter/Scraper easy to grip and use repetitively. The drop-shaped hanging hole makes storage on a wall bracket or shadow board easy. This scraper is an essential tool for the food industry, including processing plants, commercial kitchens, restaurants, and supermarkets.
