

HyGo Waste Bag Holder Kit

470 mm, Grey

Item Number: 579018

HyGo becomes even more efficient with an added Waste Bag Holder. The holder easily mounts on the HyGo so you can bring a waste bag with you to fill as you clean. You can empty a dustpan into it as you sweep, throw out trash as you clean, or brush debris directly into the bag. The holder can carry up to 6 kg, depending on the quality of the bag you're using. We recommend using a bag with a thickness of minimum 30 µm and a width of 62-70 cm to ensure a secure fit.
